MICHIGAN GROWN BULBS

Preferred by Those Who Know!

THEY said it couldn't be done, but after many years of experience in growing tulip bulbs for the florist and home gardener, we have developed improved methods of selection and cultivation which make it possible for us to offer Michigan Grown bulbs equal to imported bulbs, and better adapted to climatic conditions in this country. We have a good stock of these bulbs which we are offering this year.

Terms and Conditions of Sale

Prices are all f. o. b. Benton Harbor, Michigan. 5% discount for cash with order. 2% ten days to customers of established credit; net thirty days. No charge for containers. Shipment will be made by express unless instructed to the contrary. This price list cancels all previous lists and quotations.

We guarantee our bulbs to be true-to-name, and cheerfully replace or refund on any that prove otherwise. If bulbs are not satisfactory when received, return same at once and your money will be promptly returned. Owing to conditions beyond our control, we cannot be in any way responsible for the crop.

Packaged Gladiolus Bulbs for Counter Trade

We put up an attractively illustrated box in four colors with planting directions, etc., containing one each of a dozen distinct choice varieties of Gladiolus bulbs, which sell like the proverbial "hot cakes" when displayed on your counter or in your show window.

Every box has full directions for planting . . . making it ideal for even the casual gardener. Our suggestion is that you concentrate on the packaged item . . . it makes less dirt, occupies less sales time and counter space, and brings in the lion's share of business.
